

BINATANG NA BATAFLAI LONG BUS BILONG MIPELA EM SPESOL. LUKAUTIM BUS OL STAP LONG EN

Mr. Joe Somp a Papua New Guinean pointing to insects display showing the students in USA Philadelphia during summer counselling year 1989. These insects could help students from other land learn about our country. That's why Mr. Somp brought these insects far from PNG to USA.

Mr. Joe Somp man PNG i soim binatang bilong en long ol skul pikinini bilong USA Philadelphia long summer tiksa yia 1989. Dispela binatang ken halpim ol yangpela pikinini long arapela kautri save long kauntri PNG. Long dispela as tingting bilong Mr. Somp em karim ol binatang long we long PNG yet na go soim tru long yangpela pikinini long USA.

Lukautim bus ples ol binatang Stap na painim kaikai long en .
