

Olsem wanem dispela ol samting I wok long lus ?

Bipo bipo tru long taim bilong ol tumbuna inogat planti manmeri ibin stap. Long dispela taim ol ibin stap wantaim malo, astanget na purpur tasol. Ol bin stap insait long ol bik bus bilong ol yet. "Em I orait stret". Taim ol yia igo, isi isi, ol ibin gro isi isi kam antap na antap olgeta nau. "Em stat bilong hevi" Em nau space I kamap liklik na ol manmeri I lusim ples na wokim nupela ples na wokim wankain olsem ikam-ikam na nau yumi stap. Taim ol I wok long go nambaut na wokim ol nupela ples, ol I wok long katim daun planti bikpela diwai, kilim ol binatang, animal na ol kaikai bilong ol tu. Na narapela samting em nau yumi lukim ol papa bilong mipela I wok long bringim ol kampani bilong katim diwai na digim gol ikam long graun bilong yumi na ol I wok long bagarapim na kilim laip bilong olgeta samting na yumi ol pikini bilong ol to. Ol rip na ol pis bilong mipela tu I wok long bagarap nau. Ino long taim olgeta samting long kantri bilong mipela I pinis bai yumi ol man-meri bai I dai. "Hewi nau sorry.."

Dispela hewi bilong ol laip igo lus i wok long kamap taim ol man kilim planty tumas long kaikai met olsem abus, bagarapim kaikai na bagarapim ples hait bilong ol. Wanpela samting yumi olgeta samting yumi nidim, em gutpela win (oxygen) ikam long ol plants long stap laip. Bikpela hewi bai kamap sapos yumi ino lukaut gut long plants (bus) bilong yumi we bai kamapim planti gutpela win na helpim olgeta samting bilong graun long stap laip.
